**Declaration of Conformity acc. to REACH Regulation (EC) No 1907/2006 - SVHC
candidate list published on February 4th, 2026**

As a manufacturer of paper products, we are, in accordance with the REACH Regulation, a downstream user (manufacturer of articles) and therefore not subject to any registration obligation for our products.

On February 4th, 2026, the Candidate List under the REACH Regulation (EC) No. 1907/2006 was expanded. The Candidate List currently contains 253 substances that are considered substances of very high concern (SVHC).

With the publication of this list, we, as a supplier of articles, are obliged under Article 33 of the REACH Regulation to inform our customers if one or more substances from the Candidate List are present in any of the articles we supply at a concentration of more than 0.1 percent by mass each.

Our products do not contain any substances from the Candidate List, Annex XIV or Annex XVII of the REACH Regulation (EC) No. 1907/2006 at concentrations that would require corresponding actions.

As soon as we determine that our products are subject to the notification obligation under Article 33 of the REACH Regulation, we will proactively inform you.

We have agreed with our suppliers that only REACH-compliant products will be delivered to us. Should compliance not be ensured, our suppliers are obliged to inform us of this without delay.

REACH-Officer
